The Whole World of Books

VOU would understand the remarkable "sweep" and completeness of the INTERNATIONAL LIBRARY OF FAMOUS LITERATURE if you knew something of the immense labor that has been expended upon its preparation. Indeed, the time in actual compilation and editing, although very great, represents but a small part of the brain toil embodied in this greatest of libraries. Fifty years ago, when one of its editors was depriving himself of the very necessities of life in order to buy dog-eared volumes to be read by the uncertain light of an open fireplace, the work of preparation was begun. The familiarity with the world's great literature thus hardly earned becomes yours at a minimum of effort, because the Library gives you the net results of years of ceaseless
